Infant Nursery

Infant Nursery at LSCC is a safe and loving place for children from birth through 2 years old.

We believe it is possible to share the love of Christ with each child from the day of his/her birth. Your children are special to us and we pray that we serve you and your family well.

If you have any questions or suggestions, or if you want to serve in this program, please contact Mandie Parrish at the church office.

Becoming a spirit-filled, multi-cultural church that radically blesses our community and beyond.

And whoever welcomes a little child like this in my name welcomes me.

Matthew 18:5
**General Information**

1. The nursery will be open 15 minutes prior to regular church services year round.

2. A parent should pick up their child IMMEDIATELY following the church service.

3. It is suggested that only one parent pick up their child. This will save confusion at the nursery door.

4. No children above nursery age will be permitted in the nursery room.

5. All children must be signed into the nursery by a parent or adult guardian. A nametag with pager number will be put on your child and the parent will receive the corresponding pager. If your child needs your attention, the pager will vibrate.

6. Children will only be released to the parent or guardian with the pager. This is for the security and protection of your child.

7. Nursery bedding is changed after each use. Beds and toys are wiped down with a sterilized solution and cleaned every other month.

**Clothing, Etc.**

1. Diaper bags, clothing, and other personal items MUST BE LABELED with the child’s full name.

2. When your child has a diaper change, you will find a sticker on the back of the new diaper.

3. Do not allow your child to bring personal toys or other possessions unless it is a “security” item (pacifier, blanket, etc).

**Illness**

1. In order to insure the safety and health of other children and workers, please refrain from bringing your child if he/she has had any of the following symptoms within the past 24 hours:
   - Diarrhea
   - Vomiting
   - Fever
   - Rash or open sores
   - Runny nose (not clear)
   - Cough

   We are striving to make the nursery a safe and healthy place.

2. No medication will be given to any child in the Nursery.

**Promotions**

Children will be promoted to the 2’s and 3’s class in December & May!
