

## COMMUNITY GROUPS

Community Groups exist to promote the development of significant Christian relationships centered around the study of God's word and meet at various times and places throughout the week. Disciples making Disciples.

Week of March 19, 2017

### Breaking the Ice

1. What did you want to be when you were growing up?
2. If you could go back to a time in your past and relive it, would you, and if so what would it be ?

### Digging In

3. Share the notes you took during the worship service. Did you learn anything new?
4. Read Ephesians 3 and discuss.
5. Paul uses his time in prison to fathom the mystery of Christ and write letters. What is that mystery (vv. 3-4,6,9)?
6. In unveiling this mystery, what part is played by grace? By the Church? By Paul?
7. What is the nature of the spiritual power, love, and fullness for which Paul prays?
8. How would you express this prayer in your own words?

### Reflect

9. Paul's intense desire was to make Christ known. How does that relate to what drives you in life?
10. What kinds of people would feel awkward in your church? What can you do to break down those barriers?
11. How do you expect to change as you become more confident of Christ's love?

### Pray

12. Give thanks that God's grace accepts us for who we are.
13. Pray that we can spend more time with God and draw from his unending supply of love, power, and strength; that our lives would be a witness to the world.
14. Pray for the members of your group and their needs.
