Community Groups exist to promote the development of significant Christian relationships centered around the study of God's word and meet at various times and places throughout the week. Disciples making Disciples.

Week of May 21, 2017

### Breaking the Ice

1. If you were a musical instrument, what would you be? Explain.
2. Do you know a foreign language? Is there one you wish you knew?

### Digging In

3. Share the notes you took during the worship service. Did you learn anything new?
4. Read 1 Corinthians 14 and discuss.
5. How does Paul's emphasis on the use of "tongues" reveal what is going on in the church?
6. How does Paul contrast the gifts of prophecy and tongues?
7. In verses 21-25, why does Paul caution the use of tongues in public worship?
8. Why does Paul prefer to have the Corinthians exercise intelligible gifts like preaching and prophecy in their public meetings?

### Reflect

9. Things that were flashy, exciting, and powerful attracted the Corinthians. In what way do you see that tendency in yourself or church?
10. In the context of your spiritual gifts, what is one way you want to "follow the way of love" this week?
11. What has been your experience with the gift of tongues? What has been its values and limits?

### Pray

12. Pray that the gifts the Lord has given you will build up his church and glorify him.
13. Pray for the Spirit to stir new life and intercede for us.
14. Pray for the members of your group and their needs.
