

## COMMUNITY GROUPS

Community Groups exist to promote the development of significant Christian relationships centered around the study of God's word and meet at various times and places throughout the week. Disciples making Disciples.

Week of July 16, 2017

### Breaking the Ice

1. When you get sick, what are you like: A puppy? Superman? A Zombie? Other?
2. What's your best routine for getting over a sickness?

### Digging In

3. Share the notes you took during the worship service. Did you learn anything new?
4. Read John 5:1-14 and discuss.
5. Place yourself in this scene. What does it smell like? What do you hear? What do you feel?
6. How would you picture the invalid?
7. What does Jesus mean by his question in verse 6? What did the invalid hope Jesus might do?
8. As the invalid, what do you feel in verses 8-9? Verses 10-12? Verse 13? Verse 14?

### Reflect

9. In what ways do people try to be spiritually healed outside of Christ?
10. How would you respond to someone who said all sickness is a result of sin?
11. Has your joy in God ever been squashed by someone's concern over religious rituals and traditions? What did that do to you?

### Pray

12. In faith, pray for the healing in your life or for someone you know and believe that God will bring comfort.
13. Pray for healing in our neighborhoods, nation, and world.
14. Pray for the members of your group and their needs.
