- Why do you think people like to go to the mountains; what is so special about a mountain? What mountains do you like to visit and what special memories do you have from your visits there?
- In our story, the resurrected Jesus instructed his disciples to go to a mountain for some time alone with him. Jesus seemed to like mountains. What other significant events in Jesus' life took place on mountains?
- What did the eleven disciples do when they saw Jesus on the mountain? Who do you think might have been the ones who doubted?
- How much authority did Jesus say he had been given? Why do you think Jesus acknowledged his authority before giving his Great Commission?
- Why are Jesus' final words to his followers called the Great Commission? Do you think this is a suggestion to consider or a *command to obey*? Why do you think this? Why do you think many treat it as a suggestion?
- In the Great Commission, what one main thing did the resurrected Jesus commanded his followers to to make and multiply disciples? In what ways are you personally involved in fulfilling the Great Commission? In what ways is your D-Group helping you with this?
